

## THE MOTHER BRIGID BURSARY

### **Description**

Mother Brigid was a Presentation Sister, who worked at Stella Maris College and was the architect of the original building of Stella Maris College. She was also responsible for the decoration on the tower of this building. She was clearly a very talented woman. This work was completed over many years, after a hard day's toil of teaching. She had a reputation as being a stalwart woman of faith.

This Bursary is awarded to students from families facing financial hardship and is awarded at the discretion of the Bursary Committee.

### **Detail**

This Bursary is awarded on an 'as needs basis' and for the duration of the time that the family is experiencing financial difficulty and evidence of this must be presented each year for the Bursary to continue. It may begin in Year 7, but could begin at some time during a child's education at the College. The Principal will refer potential recipients to the Bursary Committee. The number of bursaries awarded will be four per annum, at the discretion of the Bursary Committee.

### **Eligibility**

The family needs to demonstrate financial hardship to the Bursary Committee. The student needs to have a positive academic standing in regards to their efforts and attitude.

### **Benefit**

The Bursary will exempt the student from tuition fees.

### **Application**

Applications need to be forwarded to the Principal, with supporting documentation, by 31 October in the year prior to entry.
